Wednesday, 9 Sep
$438 from 17 orders

Summary

Revenue for 7-13 Sep 2026 came to $5,567, up 62% from $3,435 the week before. That was 163 orders (up 40%) at an average order value of $34.15 (up 15%). Revenue and orders moved more than 20% versus the week before, which is worth a closer look. Throw Blanket was the top seller at $1,816 (33% of revenue). Saturday was your strongest day ($928) and Wednesday the quietest ($438). The jump came mostly from more orders.

Recommended action

Make sure stock and fulfilment can keep pace, and note what drove the surge so you can repeat it.

Weeks run Monday to Sunday. Figures in USD.
